Re: *Oakley v. Dolan*, et al., 17-cv-6903 (RJS)

Dear Judge Sullivan:

I write on behalf of Defendants in response to Plaintiff's counsel's letter, dated May 17, 2018 (Dkt. No. 47), requesting five additional pages (for a total of 45 pages) to respond to our motion to dismiss. As the email chain Plaintiff's counsel attached to their letter reflects, we consented to their request. We simply asked that they not repeat their characterizations of our brief, which we believe to be inaccurate in material respects. They ask for five additional pages for their opposition brief, which is more than the formatting issues they raise warrant, but we also appreciate that they have to respond to the many grounds on which we have moved for dismissal here. Therefore, while we regret the Court has been burdened with this at all, we consent to Plaintiff's counsel's request for five additional pages.

Respectfully,

/s/ Randy M. Mastro
